Santa Cruz Regional 9-1-1

GEOGRAPHIC INFORMATION SYSTEMS (GIS) TECHNICIAN

JPA #138 – Supplemental Questionnaire

1. Please describe your experience using ESRI ArcGIS applications. Be specific as to tasks you have performed in ArcGIS. If you have experience with scripting tools (a preferred qualification), please describe that as well.

2. Santa Cruz Regional 9-1-1 is a public safety agency providing 9-1-1 calltaking and emergency dispatch services to Santa Cruz and San Benito counties. What do you think it means to work for a public safety agency?
